Submission Guidelines for Islamic University Journal for Natural and Engineering Studies (IUGNES) - for Manuscripts in English:

There is a manuscript form authors should write their manuscripts as it. It is found on link:

Manuscripts should be arranged in the following order: Title/ Authors names/ affiliations/ English abstract/ English keywords (at least three words)/ Arabic title/ Arabic abstract/ Arabic keywords/ introduction/ materials and methods/ results and discussion/ Conclusion/Recommendations/ acknowledgements/References.

1- Font for all texts including tables is: Times New Roman and Size 11
2- Line spacing: single spacing.
3- For headings: Bold and Numbering. For Example:

1. Introduction
2. Materials and Methods
3. Results
4. Discussion

Note: for subheadings if any, use the sub-numbering: 1.1……..1.2…..

4- Authors should provide Title and Abstract in Arabic in addition to English.

Arabic Title in Simplified Arabic font and size 14

Arabic abstract in Simplified Arabic font and size 11

5- Authors should provide Keywords for the research in English and Arabic

6- Title should be as the following format: Size 16, All word started with capital except the linguistic links such as: and, of, on ……etc. Example:

Effects of Irrigation with Treated Wastewater on the Physical Properties and Chemical Composition of White Corn

7- Margins of the Word File are as following:
Ahmed A. Mohammed \(^1\), Ramadan A. Ahmed \(^1,\ast\)

\(^1\) Department of Architectural Engineering, Faculty of Engineering, Islamic University of Gaza, Gaza Strip, Palestine

\(\ast\) Corresponding author e-mail address: aaaa.aaaa@domain.com (as a footnote in the first page)

(See Manuscript form on the website)

8- Paper size A4: 21 x 29.7

9- The article must not exceed 25 pages formatted as stated above.

10- Authors names should be formatted like the following: Size 14 for the names, size 10 for the affiliated info.

11- Tables:

   a. In text: Table 1 (with one space between Table and the No. of it) (note that the first letter is Caps)

   b. The caption: should be included in the table as the first row formatted like this:

   Table 1  \textit{The title of the table} (with three spaces between the caption and the name of the table). Note that the title of the table is in Italics and size 11.

   Example:

   \begin{table}[h!]
   \centering
   \begin{tabular}{|l|c|c|c|}
   \hline
   Parameter & AD & TDW & DW \\
   \hline
   Plant Height & \textbf{Mean (cm)} & 111.111 & 0 & 0 \\
   & \textbf{M} & 111.111 & 1 & 00 \\
   & \textbf{STR} & 111.111 & 0 & 0 \\
   \hline
   \end{tabular}
   \caption{Plant Height, in the final week of measurements.}
   \end{table}

Source (if any): [5]

12- Figures:

   a. In text: Figure 1 (with one space between Figure and the No. of it) (note that the first letter is Caps)

   b. The caption: should be under the figure formatted like this:

   Figure 1  \textit{The title of the figure} (with three spaces between the caption and the name of the table. Notice that it is in \textit{italics}). Note that the title of the table is in Italics and size 11.

Notice that tables and figures should be in the body or the research within the original text.
13- Referencing:

a. In the text:

All works cited should be serially numbered as per their appearance in the article. They should be referred to inside the text immediately after the citation. The serial number should appear inside square brackets without any separating punctuation like this [7]. For two articles [7,10]. For more than two successive articles [7-9]. Regarding images and Figures that are cited from other sources, they should have number between square brackets numbered as per their appearance in the article and should refer to full citation in the reference list as will be mentioned in the next section.

It is preferred for submitted manuscripts for IUGNES to cite a publication of IUG journals especially IUGNES.

b. In the Reference list:

i. For print-format articles published in journals, magazines, newspapers, and other periodicals:

Please note that the journal title and the volume number are in italics.

Example:

ii. For printed sources published separately as books, reports, etc., and for audiovisual media:

-Complete Books:

[7] Author, A. A. Title of work. Location, Publisher (Year).

Example:

- Article in an edited book:

Example:

- Thesis and Dissertation:

-Reports and publications issued by an official agency:

Example:

Please note that Title of work is in italics.

iii. For reference citations for journal, magazine or newspaper articles retrieved from online databases (e.g., EBSCOHost Academic Search Premier, ABI/INFORM, JSTOR, etc.) and from other electronic sources:

Example:

iv. From E-journal website:

v. Online documents:

[7] Author, A. A.*Title of work*. Retrieved month day, year, from web address…..

Stand-alone Online Document
Stand-alone Online Document + No Author Identified + No Date

Citing Images and Figures:
Image citation should contain at minimum: Title, Creator name, Repository information (museum, library, or other owning institution), Image source (database, website, book, postcard, vendor, etc.), Date accessed.

Copyright must have mentioned if known.

For images from articles: citation should be as mentioned above for citing articles plus image necessary information.

For standalone images: minimum information mentioned above should be written in proper way.

Examples:
Image from article:

Image from web:

Violation of the scientific research ethics of and intellectual property:

- IUGNES is committed to publish only original material, i.e., material that has neither been published elsewhere, nor is under review elsewhere. The research should meets all applicable standards for the ethics of experimentation and research integrity.
- Manuscripts that are found to have been plagiarized from a manuscript by other authors, whether published or unpublished, will incur plagiarism sanctions.
- Submitted manuscripts that are found to have either fabricated or falsified experimental results, including the manipulation of images, will incur data fabrication and falsification sanctions.
- Any submission that does not meet the standards of ethics will be rejected.
